

*You are invited
to hit a Home Run for Healthcare!*

WHAT IS THE PROGRAM

The Home Runs for Healthcare Sports Club is a group of sports fans who support Civista Medical Center by donating \$10 for every Blue Crabs home run of the season. Along with family and friends, they come together several times a season to have an exclusive pre-game dinner reception before they enjoy the Blue Crabs game during their regular season.

HOW DOES THE CLUB WORK

As a member of the Home Runs for Healthcare Sports Club, you will have the opportunity to meet Blue Crabs players at private, pre-game receptions. Club members will receive two tickets to four games – once each month during the season, and pledge to make a \$10 donation for each Blue Crabs homerun during the regular season capped at 100 home runs. Each game also includes a pre-game ballpark buffet reception along with special ‘extras’ such as a speaker from the Blue Crabs front office or an exclusive meet and greet session with a team player. Members can then help us cheer the Blue Crabs on to victory!

WHEN DOES THIS TAKE PLACE

Dates TBD: (4 dates – one each month of the June, July, August and September)

WHERE DOES THIS TAKE PLACE

Home of the Southern Maryland Blue Crabs – Regency Furniture Stadium - Waldorf, MD

HOW CAN I SIGN UP

Please contact Susan Vogel, 301-609-4132 or susan.vogel@civista.org for more information concerning donations, event participation or sponsorships.
